The New Suits

The new Spring showing of Suits is the most attractive and in many ways the most dressy of anything that has been shown for many seasons. The lines are very graceful, the jackets being made long shoulder, with the front and back cutaway to conform to the drape and finish of the skirt.

We can show the trade one of the largest and best values in a representative line of Suits in the season's latest and best models we were ever able to show.

We have a line of Serge Suits that are made in plain tailored style with the peg top skirt. Coat is lined with a good satin. This suit is a very good value at \$12.00.

At \$18.00 we are showing a good line of Suits that are made in fine serge and a variety of the new materials; are made in the new drop-shoulder style coats, and the new peg-top skirt.

At from \$20.00 to \$30.00 we have one of the largest and best displays of sample Suits, all different models, that are new and extremely nobby. These Suits are made up in the season's best shades, and from the season's new cloths, such as Coconut Cloth, Crepes, Waffle Cloth, Crepe Poplins and fine Whipcloths.

Ladies' Separate Coats

The new Spring Coats are of a style and design that are sure to appeal to the trade as being the best, and nobbiest styles that have been shown in many seasons. The cloths are new and colors are in the new tones that are very attractive, and will be very popular.

The new Balmacaan Coat at the present time is very popular. The same comes in a variety of the two-toned and the heavy effect imported cloths that gives them that degree of style that makes an ideal Business Coat.

The new Colonial Model is a Coat design that is very attractive and will appeal to the trade as of popular design.

In order to get the full effect of the style and design of these new Coats you will need to come in and see and try them on.

We can give you a large range of Coats in these new models. In fact, we can show you Coats for an hour and not show you any two models alike. The new shades and tones are sure to appeal to you as the best of any previous season.

We have a new cloth, 32 inches wide, called the Rough and Ready Cloth, that comes in Black and Colored Stripes. It looks like an Indian Head Cotton, only that it is finer and faster in color, manufacturers claiming that it is absolutely fast color. The price is but 12 1/2 c per yard. The best cloth for children at this price in our store. Send for samples. We pay the parcel post.
